

Slamming cabinets driving you mad? Update to our innovative base organizer with concealed Blumotion soft-close slides. The 448 Series includes easily adjustable shelves, which allow you to customize based on your storage needs. You'll never worry about your items falling behind the pullout; an adjustable rear wall comes standard, providing full coverage while reinforcing and strengthening the unit. Adjustable rub bushings are also incorporated to ensure precise alignment of the pullout. Door mounting is a breeze with our patented door mount brackets that provide up to 5 inches of flexibility for trouble-free installation and micro-adjustment screw for exact door alignment.

NEW ADJUSTABLE RUB BUSHINGS!

Prevent side to side movement and frame rubbing with our innovative ARB Series Adjustable Rub Bushings. The easy nail-in and threaded designs allow you to adjust the bushing to fit your desired space and the felt covering protects your pullout from wear.
