

Installation Video

"The Curve" takes luxury blind corner storage to the next level! The individual door mountable shelves provide a custom 2-Drawer look for your blind corner, and allow for complete access to your cabinet, utilizing an amazing 775 sq. inches of surface area. This product glides on our innovative roller coaster design and heavy-duty soft-closing slides (recommended not to exceed 60 lbs. per shelf). The shelves feature maple with Stylinox™, an Anti-Skid transparent coating that not only prevents skidding, but protects the wood from damage. Available for left and right hand blind corners, "the curve" has fully adjustable mounting brackets that allow it to work in full height, drawer/door, or custom 2-drawer applications.
