

Express Series Cabinet Construction

1. Doors will be ¼" Veneered Flat panel doors or 9/16" veneered raised panel doors with hardwood stiles and rails.
2. ¾" Hardwood drawer fronts.
3. ¾" Face frames with glued and pocket screwed joints.
4. ½" Particle board back with Maple print interior, eliminating the need for hang rails.
5. ½" Particle board sides, tops and bottoms, with Maple print interior and exterior.
6. ½" Rabbeted plywood drawer with ¼" plywood floor, faced with maple print.

Drawer Upgrade Options:

1. Dovetail drawer with side mount ¾ extension drawer guide.
2. Dovetail drawer guide with soft close under mount 7/8 extension drawer guide.
7. Self-adjusting epoxy coated side mount drawer guides. Track weight rating of 75 lbs.
8. ¾" Particle board shelving with Maple print on both sides and one edge. All shelves are adjustable with base cabinets having ½ depth shelves, supported by shelf pegs.
9. Blum one piece adjustable concealed hinges with lifetime warranty.

Door Upgrade Options:

1. Blumotion soft close hinge.
10. Standard finish consists of hand wiped stain, a coat of self-sealing conversion varnish and a top coat of conversion varnish. Finish thickness approximately 7 MIL, wet.
11. Unexposed ends will be maple print.

Two options for exposed ends:

- *1. Printed, matching wood grained ends, that are closely matching in color to the face frame and doors
2. Upgrade to: ¼" veneered skin is available.

*If option one (printed ends) is ordered the entire kitchen will be printed ends.

Express series is C.A.R.B Phase II Compliant. Meets KCMA ESP Standards
