FOR A BER 36 BASE CABINET

The Easy Access Corner Pantry is a double shelf corner unit with full extension drawers. Providing efficient space utilization of the corner cabinet. It features maple and birch construction with catalyzed natural finish, while chrome surrounds provide contemporary flare. The 4-1/2" rim height prevents items from falling out, and the unit spins on heavy-duty cast aluminum bearing (unattached).

Double Easy Access Corner Pantry

Double Shelf Unit, with 2 full extension drawers:

30" diameter with 25" deep drawers

Rotates 360 degrees, and has the addition of 2 full-extension drawers
