Koch
CABINETS

because the kitchen is the heart of the home...

At Koch Cabinets, we take pride in our family-owned business roots since 1989, based in Seneca, Kansas. We understand the importance of your kitchen - it's where meals are shared, memories are made, and conversations flow.

Our commitment is to provide you with high-quality cabinets that not only reflect your style, but also stand the test of time. Whether your taste leans towards traditional, contemporary, or somewhere in between, we have a wide range of options to suit your needs.

Thank you for choosing Koch Cabinets to be a part of your home. We look forward to helping you create a kitchen that's both functional and beautiful, where moments are cherished for years to come.

- Jim Koch, President

Plateau, White Oak, Almond + Paint Grade-HD, Accessible Beige and Foxhall Green/Customer Supplied Hood

Discover what sets us apart at Koch Cabinets. Founded by brothers, Jim and Dan, and uncle Fred Koch, our flexibility, quality, and value make us an exceptional choice for your cabinetry needs. However, it's our commitment to family values that truly distinguish us. When you choose us, you're not just another customer – you become part of the Koch family. We believe in relationships built on trust, integrity, and personal attention.

We proudly craft our cabinetry using American-sourced materials and a team known for its Midwest work ethic; dedicated, dependable, and detail-driven. As a family-owned company, we don't just talk about these values – we live them every day, ensuring your experience is as exceptional as the cabinets we create.

Wood Species

Experience the natural beauty of wood in every detail with our meticulous approach to craftsmanship. At Koch Cabinets, we select only the finest solid wood and wood veneers to showcase the rich grains and unique characteristics of each species in our doors.

To preserve and enhance this natural beauty, we employ a multi-step finishing process that includes hand sanding, precise application techniques, and curing in baking ovens. This attention to detail ensures that your cabinets not only look stunning but also stand the test of time, adding warmth and elegance to your home for years to come.

DYE STAINS

For a professional finish on your two-tone woods, choose our dye stains. Dark and rich in color, they ensure even coats, enhancing the natural beauty of your woodwork.

PAINTS

Experience the smoothness and durability of our tinted conversion varnish paints, making them an exceptional option for kitchens or as standout accent pieces in any space.

ANTIQUÉ STAIN

Our antique stain combines paint and stain to impart a weathered, rustic appearance to your woodwork, adding timeless charm to your project.

HIGHLIGHTS (FOR PAINTS ONLY)

Highlights are achieved by using a flow pen instrument to delicately apply color to the intricate details of profiled areas on painted cabinets, adding depth and character to your cabinetry.

ACCENT & PENCIL GLAZE

Our accent glaze, meticulously hand-applied, imbues each door with its own unique personality.

To achieve pencil glaze, we utilize a precise flow pen instrument to delicately apply glaze to the intricate details in profiled areas, enhancing the beauty and depth of your surfaces.
