Custom Color Swatch Waiver

Work Order # _____

Company _____

Name of Color Swatch and Number _____

Thank you for selecting Koch Cabinets and participating in our Custom Color Program.

Your satisfaction is important to Koch Cabinets, and we want you to be fully informed about our Custom Color process. The color will be mixed very close to the fan deck we have in stock. Sherwin-Williams fan decks are printed by different printers across the country and slight variances are not covered under warranty. Paint will not be warranted based on what is perceived as a color failure.

I understand that there is color variation from “color swatch to color swatch” and “paper to solid wood”. This is caused by different sheen levels and materials used. I have decided to forego the recommended process of submitting a color swatch for the order mentioned above and acknowledge that **Koch Cabinets** will not be responsible for color variations.

This waiver only excludes color from the warranty.
